

Professional Polishing Services

Your Partner In Polishing

Here at PPS we are proud of involvement with the Nuclear Industry and have many years' experience providing polished finishes suitable for gloveboxes and other areas.

We offer finishes from a N8, which has a nominal Ra of 3.2 μ m up to a N5 with a nominal Ra of 0.4 μ m. All N finishes are checked and certified and we operate all handling within Industry guidelines.

From heavy profiles to full plates we can ensure that you are confident of the finish you are supplying.

For more information talk to our Commercial Team on 0121 555 6569 and request your free sample of this finish.
